## Presidents' Message

Happy December!! We hope that you had a wonderful Thanksgiving weekend. We have to say a BIG thank you to everyone that sent us notes to be passed on to our awesome Morrison staff. They were so happy to receive breakfast treats and all those wonderful messages after that unexpected extended day.

The first week in December at school is a big one with lots of important dates. **Wednesday, December 4th, is our next PTO meeting.** We will have a guest speaker from [SEPAC](#) (Special Education Parent Advisory Council) briefly speak at the beginning of the meeting. We will also be voting on the budget and discussing lots of other things so please attend if you are able. **Thursday, December 5th, is the half day social.** We are changing it up a little bit and trying something new. Also, money raised will be used to purchase chimes for the staff. Permission slips AND payment must be received *no later* than Tuesday, 12/3. And lastly, the **Holiday Fair takes place Friday, December 6th.** We could still use volunteers for the half day social and the holiday fair. We are also looking for people to make fudge for our fudge table and donate raffle items for our raffle table. So much fun coming up. See you there!

Happy Holidays!

Jennifer Lynn and Tara Norton - PTO Co-Presidents

**The Brain Show** is returning to Morrison on December 17th!

**The Brain Show** is an engaging school assembly show because it presents an entertaining, yet educational platform to involve the students, as well as their teachers.

**The Brain Show** has the authentic look and feel of a real live TV game show complete with colorful podiums that feature computerized lights and sounds.

Please note there will *not* be an evening show for families this year.

**We could never do this without your incredible support!!!**

learn, teach.

When you  
get, give.”
