

Frank Hackett, Ed.D.
Superintendent of Schools

James Lee
Assistant Superintendent of Schools

Flexible Boundary Zone Acknowledgement

We are pleased to welcome your family to the Braintree Public Schools, and we look forward to working with you and your children!

A core value of the Braintree School Department is to maximize student learning through maintaining extremely favorable class sizes. Because of increases in student enrollment being experienced within our school system, our elementary schools have space constraints that often prevent us from adding more class sections. To effectively manage our school enrollments and class sizes, the Braintree School Committee established a “Flexible Boundary Policy,” which you will find attached to this letter.

This policy allows us to enroll your child in an elementary school other than the one at which you are registering. Once your child’s placement has been determined, they will stay at the assigned elementary school for their entire elementary education. Younger siblings who are not of school age will also be placed at the same school. Decisions made by the Superintendent of Schools regarding student placement in accordance with this policy are final and not subject to appeal.

In an effort to ensure that all families new to our school system have been informed of the Flexible Boundary Policy, we ask that you sign below to acknowledge your receipt of the policy.

I acknowledge that I have been given a copy the Flexible Boundary Zone Policy for the Braintree Public Schools.
