

# Morrison PTO News

DECEMBER 2019

Each Spring the Morrison PTO coordinates a 'school supply kit online ordering' program. About 10-20% of our families have ordered kits in past years. This year we used a company, the Write Stuff, <https://www.write-stuff.com>. Please reach out to [Morrisonpto@gmail.com](mailto:Morrisonpto@gmail.com) if you would be willing to organize the program for the upcoming year. Coordinator responsibilities include:

1. Confirm a uniform supply list for each grade, K-4. Some teachers require additional items but the kit should include basic requirements to get students off on the right page and mirror the lists posted on the school's website.
2. Confirm online ordering site is up to date and accurate.
3. Create flyer and distribute to students K-3, including Kindergarten Orientation.
4. Coordinate delivery of kits to classrooms prior to Open House.

Thank you!

We could never do this without your incredible support!!!

The Holiday Fair was another wonderful success!!!! So many people help to put this incredible event together from those shopping, to those making the gym a winter wonderland, the staff who donated time for raffle items, those who made fudge, and those who donated raffle items...the list goes on! The kids had a wonderful time and it could not have happened without all of you!!!
