BGC - POLICY REVISION AND REVIEW

In an effort to keep its written policies up to date so that they can be used consistently as a basis for School Committee action and administrative decision, the Committee will review its policies on a regular basis.

The Committee will evaluate how the policies have been executed by the school staff and will weigh the results. It will rely on the school staff, students, and the community for providing evidence of the effect of the policies it has adopted. This review and assessment may be assigned to the School Committee Policy Subcommittee; however, recommended changes may only be approved by the full School Committee in accordance with Policy BGB.

The Superintendent is given the continuing commission of calling to the Committee's attention all policies that are out of date or for other reason appear to need revision.
