## BDFA-E-1 - SCHOOL IMPROVEMENT PLAN

The Principal, in conjunction with the school councils from each school districtwide, shall be responsible for preparing a written school improvement plan annually. This plan shall be written with the advice of the school council and submitted for approval to the Superintendent and review of the School Committee. The plan will be drafted with the following in mind:

1. The educational goals for the school shall be consistent with the goals and standards, including student performance standards, as adopted by the Massachusetts Board of Education and by the School Committee.
2. An assessment of the needs of the school in light of the proposed educational goals.
3. The means to address student outcomes.
4. Professional development for the school's staff.
5. The appropriate involvement of parents/guardians in the life of the school.
6. Meeting the diverse learning needs of every child.
7. Any further subjects as the Principal, in consultation with the school council, shall consider appropriate, except that:
  - a. The council shall have no authority over matters that are subject to Chapter 150E, the collective bargaining law, and
  - b. The council may not expand the scope of its authority beyond that established in law or expressly granted by School Committee policy.
