## BGB - POLICY ADOPTION

Adoption of new policies, or changing existing policies, is the sole responsibility of the School Committee. Policies will be adopted and/or amended only by the affirmative vote of a majority of the members of the School Committee when such action has been scheduled on the agenda of a regular or special meeting.

To permit time for study of all policies, or amendments to policies, and to provide an opportunity for interested parties to react, proposed policies or amendments will be presented as an agenda item to the Committee in the following sequence:

1. Information item - distribution with agenda
2. First Reading - reading of the proposed policy or policies; response from Superintendent; report from any advisory Committee assigned responsibility in the area; Committee discussion and directions for any redrafting
3. Second Reading - discussion, adoption or rejection.

Amendments to the policy at the action stage will not require repetition of the sequence, unless the Committee so directs.

The School Committee may dispense with the above sequence with unanimous agreement of the School Committee.

Policies will be effective the next business day or upon the date set by the School Committee. This date will ensure that affected persons have an opportunity to become familiar with the requirements of the new policy prior to its implementation.
