IKFB-R: Graduation Ceremony Policy Dress Regulations

Each student at the graduation ceremony is required to wear the school-issued cap and gown. The BHS Headmaster reserves the right to prohibit any apparel that does not meet the requirements below. Their decision is final, and not subject to appeal.

Cap & Gown

Students are permitted to decorate the top side of their caps in a manner that is consistent with the spirit of the ceremony, and the expectations for student dress and behavior that are outlined in the BHS student handbook. The school-issued gown is to remain unadorned.

Cords and Sashes

Cords and sashes worn with the graduation gown must be school-issued, with the exception of Military sashes. Military sashes may be worn over the gown by graduating students who have provided written confirmation of their enlistment in any branch of the United States military to BHS administration. The sash must be provided directly from the respective service branch and be standard military issue.
